

FOR IMMEDIATE RELEASE

London, 3 June 2019

JELENA STEFANOVIC JOINS MAGI AS NEW SENIOR TEAM MEMBER

Aviation finance specialist and aircraft manager Magi Aviation Capital (Magi) is pleased to announce that Jelena Stefanovic will be joining Magi in their London head office from June 2019.

Jelena has worked with distinction in the aircraft finance industry and brings market-leading analytical skills, highly developed experience in both structuring and execution and a comprehensive background in innovative finance structures.

With over 18 years' experience in the asset and aviation financing & leasing sector, Jelena joins Magi after her most recent role as Managing Partner for Doric Partners LLP in London, where she was the head of financial analysis for aviation and real estate, whilst managing the structuring and execution of aviation investments. Prior to Doric, she covered tax-based leasing and structured finance transactions at Citigroup asset finance.

Sean Cleghorn, Chief Executive Officer at Magi said: *"Jelena is joining us at a time where her skills will help enormously in growing Magi's business. We are delighted that she has chosen to join us. The Magi team and business is entering an exciting stage of development and we are sure Jelena will make a great contribution."*

About Magi Aviation Capital

Magi Aviation Capital is an independent aircraft asset manager and global arranger specialising in aircraft finance and leasing with offices in London and Brisbane. It works, primarily, with the institutional investor markets of Asia and Europe.

Magi group provides a full suite of ongoing aircraft management services to investors, including technical, remarketing and administrative support.

Since 2014, Magi has closed innovative transactions for debt, finance leases and operating leases totalling over US\$1.9bn for 13 widebody aircraft, including B777, A380 and A330s. For more information, please go to magi.aero.
